

ADULT SPORTS LEAGUE ELIGIBILITY POLICY

PLAYER CONTRACT

Every player must have a contract for each team they are on, signed by the player and manager. The co-manager may sign for the manager. Anyone found playing without a contract will be ineligible until a contract is on file and may have to serve a suspension. Registering through www.msportsleagues.org **IS** the contract.

PENALTY - A team that plays people without contracts, players registered, or that exceeds the maximum number of nonresidents will:

- forfeit all games played with ineligible players.
- have the manager suspended from all activity for the remainder of the season.

RESIDENCY - 50% of players on MSCR's adult sports teams must be residents* of the Madison Metropolitan School District (MMSD). If you have an odd number of players, round down for the number of nonresidents allowed. Example: if you have 15 on your Kickball team, 7 of the 15 can be nonresidents.

**A resident resides at an address where children could attend MMSD schools without paying tuition.*

If a player moves after signing the contract, their current address will determine residency, not the address on the contract.

PARTICIPATION - *People may play on multiple teams but are limited to one team per night. Players must be registered on each team.* People may play on multiple men's, women's and coed teams and may play in both divisions of play (fast *and* slow pitch softball; power *and* intermediate volleyball). People may also play softball *and* baseball. No scheduling considerations will be given to accommodate people on multiple teams.

AGE - High school students may play Adult Kickball if they:

- Are 16 years old or older
- Enrolled with a registered and participating adult (18+)
- Not in conflict with WIAA rules
- No more than 50% of a team's roster may be under 18 years old for Adult Kickball.

HOW TO DETERMINE RESIDENCY - A Madison zip code or phone number does **NOT** prove MMSD residency! There are many such addresses that are not within the MMSD. A partial list of streets where all or a portion is not in the MMSD is listed below. Check this list before calling.

To verify a player's residency:

- check the district's web site: www.mmsd.org
 - under *Parent Information* on the left, click on 'Find Your School'
 - enter your address

-or-

- call 204-3024, Monday through Friday, 8:00 a.m. - 4:30 p.m.
