

ADULT WINTER BASKETBALL

7 weeks plus final alignment game

The Adult Winter Basketball Program offered by MSCR is conducted from early January through mid-February 2023.

Participants must be at least 18 years of age and no longer attending high school. Players may play multiple nights but are limited to only one team per night.

Teams are asked to rate their skill level and upon being registered are placed in a league of eight teams. Leagues use high school rules. Teams play a 7 week round robin schedule. At the completion of the 7 weeks, a final game is scheduled with the team closest in rankings.

Nearly one hundred fifty teams and approximately eleven hundred players participate in the program. For their fees, teams receive playing facilities, two officials, a scorer-timer and a facility supervisor to ensure enjoyment in a safe environment for everyone. Scores and standings are posted daily at mscrsportsleagues.org and www.mscr.org. Players may purchase a reversible jersey for \$25 during the enrollment process. Fee assistance is available to any MMSD residents in need. Sponsors are welcome!

Competition is a key ingredient in this program but rules strive to make games fun and a reflection of good sportsmanship. MSCR is the one for fun! Pass the word and come join us - we look forward to your participation!
